

Dear Friends,

On the heels of a successful 2009 at The Washington Inn, Joe and I are anxiously looking forward to 2010. We do enjoy the fun and excitement of the season, but most of all we look forward to seeing you again. It is your continued patronage that makes us successful, and we want to take this opportunity to say thank you.

We invite you to come back in 2010.... "Experience Saratoga ...It will be perfect from start to finish", as they say around here. Speaking of "start"...let us tell you that there has been a change in the start of the 2010 racing season. The New York Racing Association, Inc. (NYRA) will expand the 2010 season by 4 days, a revision that will remain in place for the fore-seeable future.

2010's Saratoga meet will begin on Friday, July 23 and consist of 40 racing days. It will feature a Wednesday through Monday live racing schedule that will go through Labor Day, Monday, September 6. This not only gives us 4 additional days but also one additional weekend this year.

Each day of the meet will include a stake race, and pending approval from the NYRA Board of Directors, the Grade 1, CoachingClub America Oaks, traditionally run at Belmont Park, will shift to the first weekend at Saratoga.

As many of you know, included in your room rates along with your continental breakfast, we have several complimentary perks for your enjoyment.

- Passes to: \*The new YMCA \*The Victoria Pool \*The Automobile Museum
- \*Discounted spa treatments at The Roosevelt Baths & Spa \*Discounted greens fees at Ballston Spa Country Club
- \*Six beautiful new bicycles & helmets for your enjoyment
- \*And we continue to offer free internet wireless & the use of a computer and printer in the lobby for your convenience.

Our reservation book is now open for 2010; currently, we have a 3 night minimum. if you've not already booked, email me with your dates, however, there's a possibility that your one or 2 night reservation request may have to be put on a waitlist.

In closing, please check out The Washington Inn on Facebook....and become a fan and 'follow' us.

Joe and I wish you a happy, healthy and prosperous 2010,

*Ginny*
